

KENTON COUNTY HOMEMAKERS NEWSLETTER

JUNE 2024

FAMILY & CONSUMER SCIENCES

Time goes so fast, can you believe that it is June already?

A note from Jackie

As my first year as President of Kenton County Homemakers comes to a close, I want to recap what we have been up to this year.

In August 2023 I set a few goals for what I wanted to accomplish during my first year.

Goal #1 - Increase membership.

Goal #2 - To offer a variety of events.

Goal #3 - For Kenton County to be recognized for our participation with Ovarian Cancer Awareness.

I am happy to announce that with your help, these goals were met!

1) Our membership increased by 36 people.

2) As you can see from the list below, we hosted a lot of fun events.

- Kick-off (Hawaiian theme)
- Baseball game (\$2 Tuesday game at Thomas More Stadium)
- KEHA Week activities
- Girl's Day Out
- Deck the Y'Alls (light event at Thomas More Stadium)
- Bunco
- Quarter Auction
- Day at the Races
- KEHA State Meeting
- Plus numerous classes!

3) We were recognized for our donation of over \$1,000 to Ovarian Cancer Awareness, and we tied for 2nd place for the most new people screened.

Woo Hoo!!! Thank all of you!!

We have definitely been busy!

Our Spring Luncheon was scheduled for May 21, 2024. Unfortunately, we needed to cancel the event due to low reservations. This makes me sad and confused as to why. Was it the date, the venue, or the cost? I would love to hear feedback from you. (myfriendshipgarden1@gmail.com). This way, when planning for future events, I can take your thoughts into consideration. While on the topic of events, please remember that the majority of them are used for fundraisers (Marie Rich Scholarship, Ovarian Cancer Awareness, Breast Cancer Awareness and more. So, with this being said, I am requesting that everyone volunteer to help with one event this year (cooking, decorations, donations, and bring a friend when you attend). With all of us doing our part, the responsibility will balance out.

KEHA State Meeting - Thank you to those who attended from Kenton County. Also thank you Denise and Joan for your help with transportation, and much more. The meeting was enjoyable. The classes were informative. The chance to connect with people from all over the state is a great way to share ideas. If you have not attended in the past, think about attending next year. You will be glad that you did.

Note: The 2025 and 2026 meetings will be held in Lexington.

Marla Johnson and I presented, for the first time, a class on Leadership. There were 29 people in attendance. We spoke on what we had been involved with this past year and we opened up the floor to question and answer time to hear what was successful for others in their counties. Both Marla and I felt good about our presentation.

Independence club will be hosting a Baby Shower on June 17th (gifts will be given to CareNet). Remember to RSVP if you plan to attend. I am looking forward to being there.

Reminder to complete and turn in your Volunteer Hour form (Due this month). I, like many of you, do not like the notoriety for services that I do for others. However, records for these hours help our organization in many ways. Please help by filling the forms out. Any questions about how or what to report, feel free to contact me.

Thank you for all that you do.

Hugs,

Jackie Waibel

CLUB NEWS

FEMME NOUVEAU

Welcome to our third new homemaker Grandchild. Congratulations to the Susan Fuerst Family.

Thank you to our ladies for donations to “Thank You Community Service Providers Box”. The project is completed and thanks to our members who delivered to Fire, SPCA, Health, EMT, and Police Departments in the area.

A display of our joint project with our Kenton County 4-H program and the many who participated were showcased at the KEHA annual meeting and helped generate new ideas for community involvement in community for the Homemaker. Cathy Kunkel-Mains has been busy at state level as Second Vice President of Kentucky Master Farm Homemakers Guild processing a new member into the Guild and preparing a Tri-Fold Display of the Kentucky Master Farm Homemaker Guild that introduced new member, Chantel Sparrow Langfeld. This display shared information with all attendees at KEHA meeting in Bowling Green and was used to inform and recruit new membership into the Master Farm Homemaker Guild of Kentucky. If you know a Kenton County Homemaker who is a KY. agriculture producer please nominate. Congratulations to member Sandy Beach for winning a blue ribbon at the statewide Cultural Arts competition at KEHA Annual meeting. Her painted rock of Bambi wowed the judges. We are all busy planting our flowers and gardens and enjoying the colors of spring and summer. A garden plot has been provided to member Aura and family to plan and plant a garden as they live in City of Covington. Thank you to Milton and Cathy Mains for land donation which will allow them to enjoy fresh vegetables. As a Master Gardener, Nancy Zink, continues to visit Nursing Home in Ft. Wright to bring joy to residents as well as helping keep grounds beautified. So much being given back to our community by our members, THANK YOU!!

CLUB NEWS

INDEPENDENCE

OUR MAY 20 MEETING: Revised By-Laws were presented to the Independence Club members in attendance. Most of the proposed revisions were generally agreed upon except for a couple of points that required further investigation. The revised by-laws will be voted on at the June meeting.

We now have several items for the sewing-themed basket to be raffled for 4-H at the Kenton County Fair in July. However, if you still want to make a donation, please bring these items to the June meeting.

ON JUNE 17: This is our last meeting of our regular monthly meetings. A short meeting with pertinent items and a vote on our club's by-laws; then we will adjourn to begin the baby shower at approximately 12 pm.

As mentioned above, other Kenton County Club members are invited to join us. I'm sure we will have a fun time. Please register on the classes/activities page on the UK Kenton County website (PACE) if you plan on attending. We ask this to provide adequate snacks. We look forward to a fun time.
